# MRS. DANIELS JOINS FACULTY OF CSTCC

Girls' Preparatory Graduate  
Appointed Coordinator of  
Deaf Education Program

**MRS. BEATRICE DANIELS**

*Feb 14 1970*

Mrs. Beatrice R. Daniels has joined the faculty of Chattanooga State Technical Community College as coordinator of the deaf education program.

The program, which recently received a federal grant of \$41,880 from the Department of Health, Education and Welfare, is the only college-level program in Tennessee designed especially to serve the hearing impaired.

Mrs. Daniels, a graduate of Girls' Preparatory School, received her B.S. degree with a double major in elementary education and speech and hearing from the University of Chattanooga.

She received her M.S. in education of the deaf and severe hard of hearing from the University of Tennessee at Knoxville.

Prior to joining Chattanooga State, Mrs. Daniels served for two years as a learning disabilities specialist with the Department of Special Education for the Chattanooga Public Schools. She organized and taught the intermediate class for the deaf and severe hard of hearing at Sunnyside Elementary School four years.
