PowerPoint 2013: Insert or link to a video on YouTube

You can insert or link to a YouTube video, then play it during your PowerPoint presentation.

**If you know the name of the video hosted on YouTube, do the following:**

1. Click the slide that you want to add a video to.
2. On the **Insert** tab, click **Video > Online Video**.
3. In the **Search YouTube** box, type the name of the video that you want to insert.
4. Select the video from the search results, and click **Insert**.

**If you don’t know the name of the video hosted on the YouTube site, do the following:**

1. In **YouTube**, find the video that you want to insert.
