

MLA CITATION EXAMPLES FOR DOCUMENTS FOUND IN ELECTRONIC DATABASES

This guide presents **EXAMPLES** of works-cited entries in MLA format for sources found in the Chattanooga State Library's online databases, such as [MasterFILE Premiere](#) and [General OneFile](#). **Be sure to ask your instructor for the preferred citation style for your course.**

A citation for a document found in an online database will generally include:

Author's Last Name, First Name. "Article Title." Name of Publication. Publication Date: Page Numbers. Database Name.

Database Supplier. Library Name, Library City, State. Date of Access <<http://www.database.com>>.

The information on this guide is based on the [MLA Handbook for Writers of Research Papers, Sixth Edition \(2004\)](#), section 5.9.7 a. Citation examples based on the Seventh Edition (2009) are also available on the library website.
